

WISPECO 2015 STOCKIST CONFERENCE

The annual Wispeco Stockist Conference was held on the 18th and 19th of April, at Lawiida Lodge in Lanseria. The conference was once again a successful and well attended event with 48 of Wispeco's Appointed Stockist members and Wispeco employees attending the 2 day seminar.

The Wispeco Systems team introduced several exciting product additions to the Crealco range, which included the new **Crealco Infinity** internal glass and board partitioning system and the **Crealco Guardian** safety barrier for windows and doors. Stephen Levenderis from Stargate furthermore intrigued everyone with his presentation and the introduction of the new **Starfront 4** software, which will be launched in the market by May 2015.

For the first time the conference included General Discussion sessions in the program, with the aim to give stockists members the opportunity to discuss important points, concerns and thoughts with the group that might not have been covered by the presentations and discussions given by the Wispeco team.

The entire team also participated in a team building activity after the seminar on the first day. The Target Shooting included various shooting activities such as archery, rifle and laser clay pigeon shooting. The delegates were divided into 4 teams which then competed against each other. This ensured for some good competition amongst the members and also a lot of entertainment and laughter.

The conference concluded on the second day with a Stockist Award ceremony and the winners of the five categories were:

- Anso Port Elizabeth - Stockist of the Year 2014 (Independent Stockist)
- Sheerline Reef - Stockist of the Year 2014 (Wispeco Owned Stockist)
- Buildsmart Lesotho - Stockist of the Year 2014 (Newcomer)
- PG Aluminium Midrand - Crealco Components Stockist of the Year 2014 (Independent Stockist)
- Conways Durban - Crealco Components Stockist of the Year 2014 (Wispeco Owned Stockist)
